

TED KACZYNSKI  
to

December 5, 1998

Dear

I'm writing this note for Beau Friedlander, who is going to publish my book. If Mr. Friedlander offers you a fee to take photographs of my property or of the countryside around Lincoln, or of anything else for that matter, it's okay with me. You can accept his offer if you want to. The photos are for possible inclusion in my book.

Best regards,

Ted Kaczynski
